Alpha and Omega International Foundation Academic Programme (IFAP)

Our mission statement

The mission of Alpha and Omega College is:

- to provide a fulfilling education to focused and serious-minded students who wish to achieve British college or university level fluency through a scholarly rigorous curriculum.
- to provide a quality learning experience
- to give excellent value for money
- to foster a friendly, caring and professional learning environment
- to ensure that all of our students, regardless of race, gender or religion, gain the maximum enjoyment and benefit from their course

Alpha and Omega is proud to introduce our International Foundation Academic Programme. This twelve month intensive academic programme has been designed for International students who need academic skills in addition to a high level of English. Students who successfully complete IFAP increase their study potential and qualify for further studies, whether undergraduate or postgraduate. At the end of the course students will receive a vocational certificate in addition to General English, Academic English, English for Specific Purposes (ESP) certificates and will have a TOEFL iBT or IELTS certificate as proof of their level of English.

The course has been developed to meet the academic needs and interests of international students. Students will improve their English competence, develop English exam skills (IELTS or TOEFL), develop academic skills and study English in a real context (CLIL). They will be given the opportunity to choose vocational courses as part of their preparation. Alpha and Omega's successful students will receive a world-wide recognised certificate from our awarding bodies upon completion of the vocational module.

The course is suitable for students who would like to improve their English and Academic Skills and have a recognised vocational qualification.

Course structure

The International Foundation Academic Programme (IFAP) consists of 4 modules of 12 weeks each. Students will study for 25 hours a week. Students' level of English should improve by 1 band in IELTS per module, depending on students' full participation in their training. This means they should be at a level of 6-6.5 at the end of the fourth module.

We are accredited by:

- The British Council
- ASIC (Accreditation Service for International Colleges)
- EDI (Education Development International)
- IAM (Institute of Administration Management)

We are members of:

- English in Wales
- MEA (the Middle East Association)
- BBG (the British Business Group)

We are approved exam centres of:

- TOEFL iBT
- ESOL
- IAM
- EDI (for vocational courses)

Why CLIL?

Our International Foundation Academic Programme (IFAP) offers a new and modern approach to learning, which combines content with language learning (CLIL)

By using this new method students will:

- build intercultural knowledge and understanding
- develop intercultural communication skills
- improve language competence and oral communication skills
- develop multilingual interests and attitudes
- have more opportunities to study content through different perspectives
- have more contact with the target language
- be more confident in both the language and the subject being taught
- have a certificate at the end of the course, which is recognised nationally and internationally

' Alpha and Omega has been the right choice for me. There is a real warm and friendly atmosphere that makes you feel at home from the start. The staff are always ready to help and give you the support you need with vast experience in their subject and sensitive to the different cultures students come from.

I would like to recommend the college to future students. I have had a great time here and I have learnt a lot. Those of you who enjoy interesting things, such as being in a multicultural environment, having access to excellent facilities and surrounded by wonderful people, Alpha and Omega is the place to come!'

Tareq Allaghi, Libya

"I am very happy with all the teachers, they have helped my English and really helped me to improve and get better at English. I have learned a lot at Alpha and Omega."

Daniely, Brazil

Why Alpha and Omega College

Quality is very important at Alpha Omega College and we work hard to keep to the highest standards in teaching.

Our staff are carefully selected on the basis of their academic and professional qualifications, as well as their experience in teaching. Between them staff at Alpha and Omega College have more than 30 years experience. Our teaching methods are constantly reviewed and improved according to the highest standards. We are regularly inspected by external assessors for quality assurance.

Choosing a small college is becoming increasingly more popular as it is not only more affordable but it also has additional benefits of smaller class sizes, specialised courses to cater for all needs and more individual attention, which makes for a more friendly and personable experience.

As an Alpha and Omega student you will have full support from the moment you enrol for your course. Our friendly team is always ready to advise and help you.

1. As we work in partnership with other universities, we will be able to help you with choosing your future studies and assist you with the application process.
2. We can help with accommodation.
3. You will be able to take part in our social programme, which will give you a chance to get to know Welsh culture and traditions and the Welsh system of education. In addition, you will make friends and have fun while practising your English.
4. You will have your personal tutor who will monitor your progress and support you during your studies.
5. You will get a student card which will show you are a full time international student.
6. We will issue you with a letter so you can open a bank account
7. We will issue you with a letter so you can register with the police.
8. We will help you register with a GP.

You will also benefit from:
